Elimination of Primary Election

Section 3513.02 of the Revised Code of Ohio provides that a municipal partisan primary election shall not be conducted under certain circumstances.

No primary election will be conducted for a particular political party in an odd-numbered year if, in accordance with R.C. 3513.02, the following occurs:

- No valid declaration of candidacy is filed by a candidate of a political party for election to any of the offices to be voted for at the general election in that year; or
- Not more than one party declaration of candidacy is filed for each office to be voted upon at the general election.

However, if the only office for which there is a primary contest is that of ward council member, a primary election will be held for that party only in the ward in which there is a contest, and only the names of the candidates for that ward office will appear on the party's ballot. (R.C. 3513.02).
